PUBLIC INFORMATION OPEN HOUSE

PIN 2047.07
ROUTE 921C – NORTH GENESEE STREET GATEWAY BRIDGE & MULTI MODAL CONNECTOR PROJECT – CITY OF UTICA, ONEIDA COUNTY

PROJECT PURPOSE & NEED

The project is needed to address:

- Aging structural condition of the bridges over the Mohawk River and Erie Canal which are approaching the end of useful life.
- Safety concerns at the intersection of North Genesee St. and the I-90/I-790 ramps.
- Pedestrian and bicycle accommodation deficiencies.

PRELIMINARY PROJECT GOALS & OBJECTIVES

- Replace the bridge crossings to new condition.
- Enhance safety for all users.
- Improve accessibility and mobility for pedestrians and bicyclists.
- Support economic revitalization of the project area.
- Enhance aesthetics of the corridor to create an inviting gateway to Utica.
- Improve the corridor for future traffic flow and operations and encourage lower speeds.

PROJECT COST

- This project is currently approved for $43.3 million in construction funding.

PROJECT SCHEDULE

- Preliminary Design Phases/ Develop Alternatives (2024)
- Design Approval (Spring 2025)
- Final Design Phases (2025)
- Start of Construction (2026)
